WORK EXPERIENCES

Android Developer Mackolik Int. Hiz. A.S.

03/2022 - 05/2023 *Istanbul, Turkey*

It is Turkey's largest sports application that includes more than 800 leagues and tournaments in football and basketball, rosters, live scores, match results, fixtures, rankings, team and player statistics. In Mackolik Android application, I take part in developing new features, bug fixes, refactoring of some parts, and Google Play management.

Software Developer KPlus Information Technologies

07/2021 - 12/2021 *Istanbul, Turkey*

B2B, B2C and enterprise software solutions for travel agencies.

<https://www.attfly.com>

- C#, ASP.Net MVC (Intermediate), HTML5, CSS3, JavaScript

Web Developer Intern Collezione

06/2019 - 09/2019 *Istanbul, Turkey*

Istanbul-based chain of stores operating in the ready-to-wear industry.

- Learned how to add a form to the content of the career tab in the footer of the website. I have grasped the basics of ASP.Net MVC.

Sports Leader Decathlon Turkey

10/2017 - 11/2018 *Istanbul, Turkey*

French sporting goods retailer.

- Worked part-time in the fitness and ski department, learned stock tracking and sales.
